

Patient Price Information List

In compliance with federal law, Memorial Hospital of Sweetwater County is providing this price list containing our charges for room and board, emergency department, operating room and other procedures. The hospital's charges are the same for all patients, but each patient's responsibility may vary, depending on payment plans negotiated with individual health insurers. Uninsured or under-insured patients should consult with our billing staff to determine whether they qualify for our medical assistance program. These prices are correct as of January 1, 2020.
